DEDICATION

The class of 1960 dedicates the HOWARD SHIELD to its advisers: Mrs. Katherine McFarland, Mr. Frank Lupashunski, Mr. Arnold Harms, Mrs. Margaret Lotz, Miss Margaret Bowers, and Mr. Lemuel Fisher.

For your generous attitudes and willingness to help us with all our problems, we can never repay you. Our dedication of this yearbook to you is only a small token of our appreciation. There is even more gratitude in our hearts.

IN APPRECIATION . . .

J. DANIEL ENGLAR

With deepest thanks to you, Dan, we express our appreciation. You have filled the pages of the HOWARD SHIELD with a wealth of your wonderful talent and you have given us the assistance and encouragement needed for a successful yearbook.

Many hours you have spent attending our school functions, preparing our numerous requests, and working out our problems. A great interest you have taken in our yearbook and in our school.

We appreciate your optimistic manner and the imagination you have used in photographs and in layouts.

Long you will be remembered at Howard High and long we hope you will continue to work with us.

We thank you, Dan.

PRINCIPAL

To the Class of 1960,

You are finishing what you set out to do. You have passed through twelve grades of schooling. The end of your formal education at public expense is now in sight. The course you followed has been watched by your parents, your teachers, and the people of your community.

Shortly, you will be leaving the halls of Howard High School. In the years you spent here, you gained greatly from its academic program. Also, in the many extra-curricular activities offered, you have reaped positive benefits. These benefits are hard to measure with a yardstick. Our principal and our teachers have striven daily to impress upon you the values of learning, of sound health, and of good character.

The things you do live on. You must be impressed with the need of learning, of understanding, of self-discipline, of character, and of perseverance. These characteristics set up an endowment for you. You will be a better person. You will aid in making a better school, a better community, a better state, and a better nation.

Now, a word about this year's yearbook. A daydream is a dreamy thought about pleasant things. Your senior year most certainly has been a pleasant thing, has it not? Since each one of us has a sentimental spot in our hearts for memories, we like also to record them on paper. The 1960 HOWARD SHIELD staff has preserved your dream for you, and now we want you to turn the pages and enjoy it!

Good luck,

Sue Donaldson

ACTIVITIES

OUR STUDENT GOVERNMENT

The Student Council is the governing body of Howard High. The aim of the organization is to represent and carry out the ideas and ideals of the students. It is under the direction of Miss Marion Ferguson, Vice-principal and Latin teacher.

This governing body sponsors the election of the Homecoming queen, conducts the Red Cross drive, sells Christmas cards, and keeps the records of the student point system.

Adviser, Miss Marion Ferguson

Vice-president, Wayne Phillips; President, Lois Singhass; and Secretary-Treasurer, Anne Grimes.

. . . represented by thirty-five students.

The Student Council is composed of a representative and an alternate from each homeroom.

Their duties range from the publication of the Student Handbook to the filling of gift Christmas stockings and Easter plates.

NATIONAL HONOR SOCIETY

Planting bulbs on the school property is one of the Chapter's many activities.

The National Honor Society is the most honored group at Howard High. To become a member of this society is quite an accomplishment. Before a member is selected, he is judged on his scholarship, service, character, and leadership.

This year's projects were decorating the faculty table, decorating the principal's and guidance offices for Christmas, assisting teachers with tutoring, and giving an award to the student with the highest average over four years.

This year the NHS and the PTA tried a new experiment called "Project Adoption." This was done to help the students with their chosen careers.

Editor and Assistant Editor

Circulation Manager and Business Manager

The LION'S TALE staff and the other members of the journalism class produced eight issues of the newspaper during the school year. With the aid of an out-of-town company, the staff succeeded in giving the paper a new face by having it printed. This idea was very popular with both faculty and students.

Among the articles that appeared in the paper, the "Campus Gab" and the "Spotlight" were best liked.

Sports Editor and Art Editor

The members of the staff under the supervision of Mrs. Katherine McFarland were Marian Suter, Editor; Gloria Coles, Assistant Editor; Alma Brehm, Business Manager; Linda Phillips, Circulation Manager; Carol Neimiller, Sports Editor; and Phyllis Kirkham, Art Editor.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club is now in its sixth year. Its aim is to interest students in a teaching career.

The Future Teachers of America publish the Student Directory, sponsor the Farewell Dance, hold an initiation banquet, trim the Christmas tree in the foyer, and give two scholarships to students planning to prepare for teaching.

The members carol at local nursing homes and send scrapbooks and favors to the Marine Hospital at Christmas.

The Snow Ball and the Variety Show are given by the club each year to raise money for scholarships.

The Future Homemakers of America is purely a feminine and domestic club. Under the supervision of Mrs. Weatherholtz and Mrs. Lindgren, the F.H.A. completed many activities. For Homecoming they baked a cake and made a banner. They bought two irons, a freezer, and made new curtains for the home economics department. A special feature of the year was a visit to the McCormick Tea House.

For the Christmas holidays the girls made corsages, candy, and cookies. In the Spring the highlight of their activities was the annual fashion show.

. . . striving for a healthier and a happier tomorrow.

THE HOWARD HIGH CHORUS

Boys' Chorus, Girls' Chorus, Mixed Chorus, General Music, and Music Appreciation are five elective subjects attracting many of our students. Some of the activities of the Chorus are entertainment at the Christmas program, presentations at various assemblies, and participation in the Howard County music concerts. On Orientation Day when the junior high schools are given a preview of Howard High, the Chorus presents several selections and also is present to perform at the Baccalaureate Service for the graduates in June.

This year the music department was proud to announce their arriving at the one-thousand dollar mark in the organ fund. This goal was reached through the efforts of the music department and the cooperation of the faculty and the students.

Four members of Howard's Chorus were 1959-1960 participators in the All-Maryland Chorus, again giving our school statewide recognition.

BAND

Under the direction of Mr. Robert Lewis, the band this year has done extremely well. It has improved immensely due to the cooperation of the students with their new director.

The band presented a sparkling performance at homecoming and also did a good job at assemblies and pep rallies.

Howard was fortunate to have Mr. Lewis as its band teacher since he had many years experience with the United States Army Field Band.

MAJORETTES

The Majorette Club, an organization composed of six girls under the direction of Miss Betty Lang, performed well at special school events such as homecoming and the basketball games.

DRAMATICS

This year the Dramatic Arts Class presented as its annual play "Our Hearts Were Young and Gay."

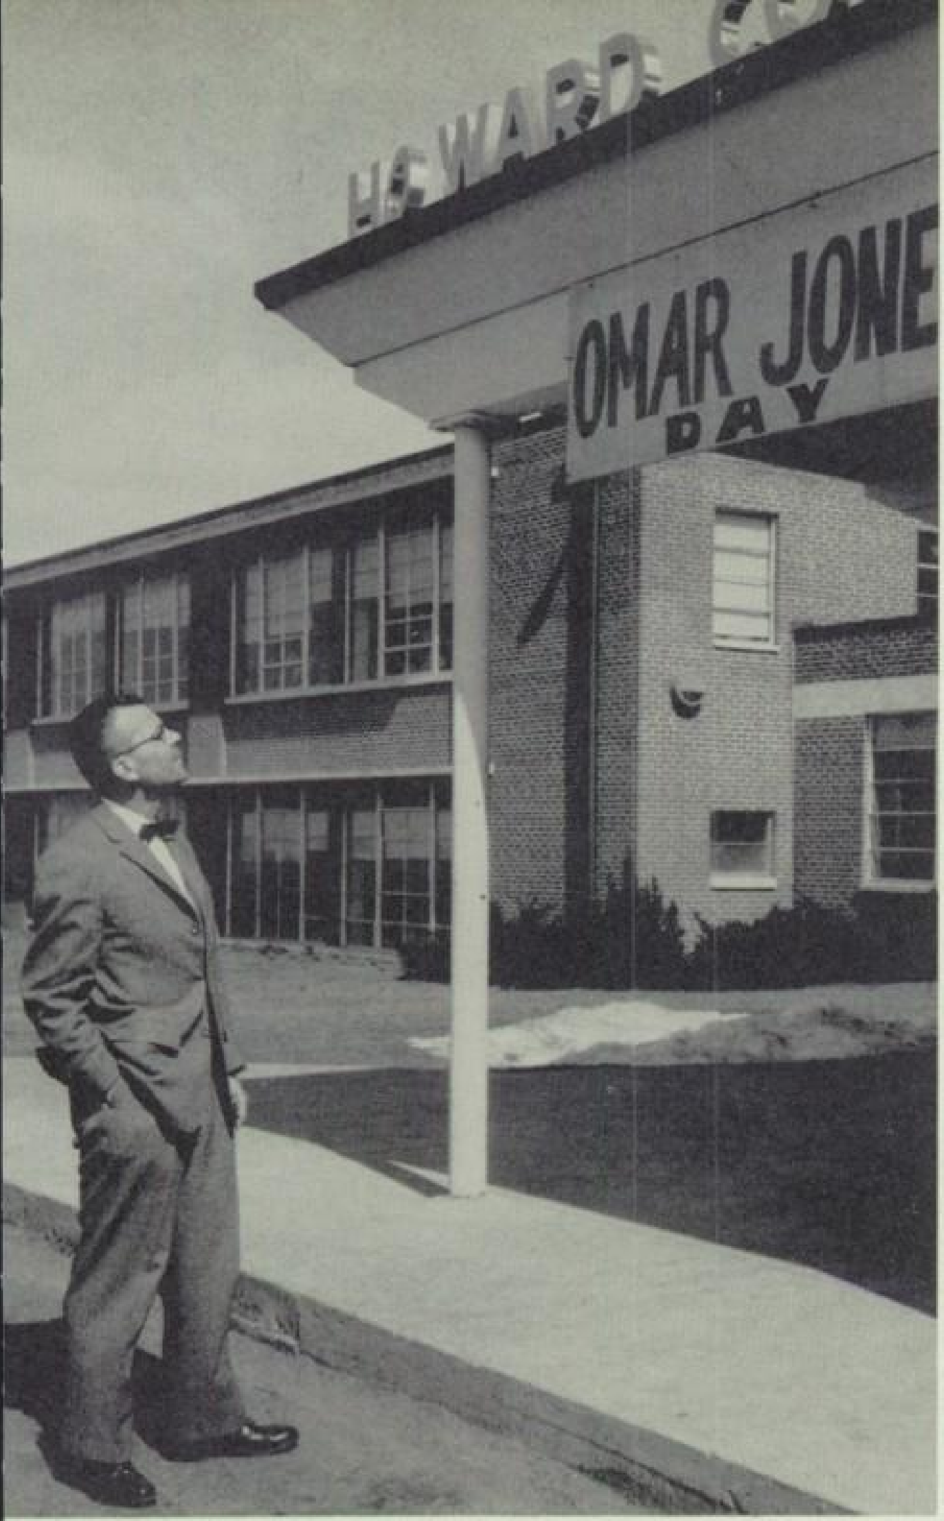
The class under the supervision of Miss Coates gave a Christmas play for the school and attended Archibald MacLeish's "J.B." at the Ford Theatre in Baltimore.

Miss Coates conducts class while in the above picture Sharon Lenz directs the rehearsal of "Our Hearts Were Young and Gay."

LIBRARY STAFF

Thirteen assistants to the librarian help to keep things running smoothly in the Howard High library. With a collection of more than 4,600 books, numerous pamphlets, magazines, films, and records, the library is able to fill each student's recreational and educational needs.

OMAR JONES' DAY



. . . well-merited recognition.

A surprised, speechless, and very delighted Mr. Omar Jones "reigned over Howard" Friday, March 25.

In the morning Omar J. Jones Day was proclaimed by Lois Singhass, Student Council President; Wayne Phillips, Junior Class President; and Marilyn Young, Sophomore Class President.

Later, Anne Grimes presented Mr. Jones with a scrapbook of the school year activities. A glass top for his desk was the gift of the faculty. Letters were received from Dr. Pullen and Mr. Yingling.

The day was concluded with a surprise dinner after which Mr. Jones was taken to Howard's gym where five hundred people had gathered to greet him. There Mr. Schoenbrodt, President of the PTA, presented him with a gift check in recognition of the gratitude of the parents, teachers, and students.

A polaroid camera was the gift of the student body.

Howard's gym was filled with teachers, students and friends.

Mr. Jones and his family enjoyed a surprise dinner at Candlelight Lodge, Catonsville.

HOMECOMING

1958 Queen Ruth Phillips with 1959 Queen Faye Shipley and Maid of Honor Gloria Coles.

Howard's sixth annual Homecoming was celebrated November 14 with the usual festivities of football, halftime activities, a turkey dinner, and a dance climaxing the evening.

Homecoming Queen Faye Shipley reigned over events including the victorious football game against Glenelg High School.

Maid of Honor was Gloria Coles and senior members of the court were Ruth Gregory, Phyllis Kirkham, Charlotte Murphy, and Joan Thomas. Junior members included Toni Ambrose, Glenda Specht, Linda Ingram, and Linda Neimiller. The sophomore class was represented by Carol Lineberry and Carol Woodall.

HOMECOMING

INFORMAL

WELCOME

. . . we get acquainted.

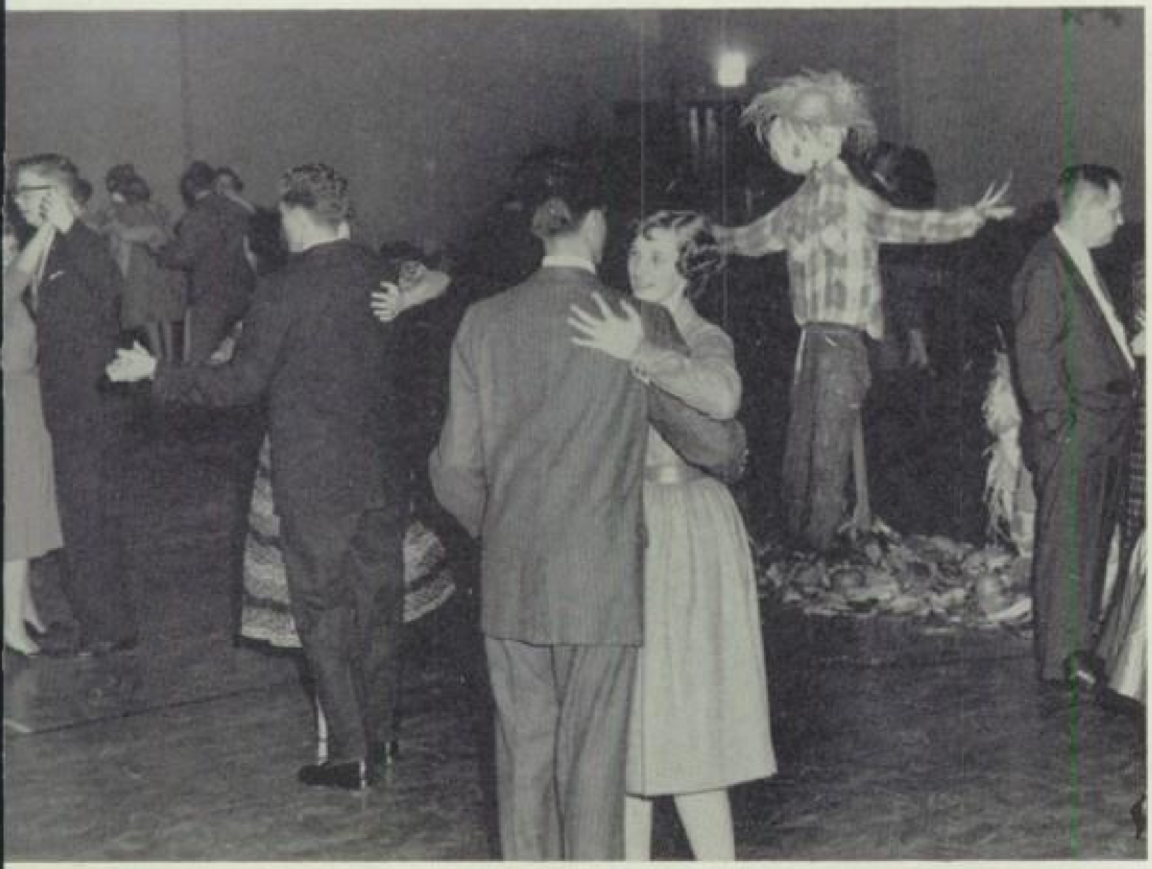
The first dance of the year at Howard is always the Welcome or the Get Acquainted Dance sponsored by the Student Council. This is held in early September and the new sophomores have an opportunity to mingle with the juniors and the seniors.

Being the first one of the school year, the Welcome Dance usually is attended by a good number of students who feel it is a pleasant way to begin the year.

. . . we're really informal here.

PEP RALLY

At the annual pep rally, following the torch parade and the lighting of the bonfire, the football players of former years and this year's team were introduced to the students. Ann Mercier, an alumna of Howard, and Howard's cheerleaders acquainted the students with new cheers. The evening's activities concluded with a delightful dance in the gym where Mr. Pep, Leonard Bonsal, and Miss Pep, Kay Romoser, were chosen.



. . . our eighth anniversary.

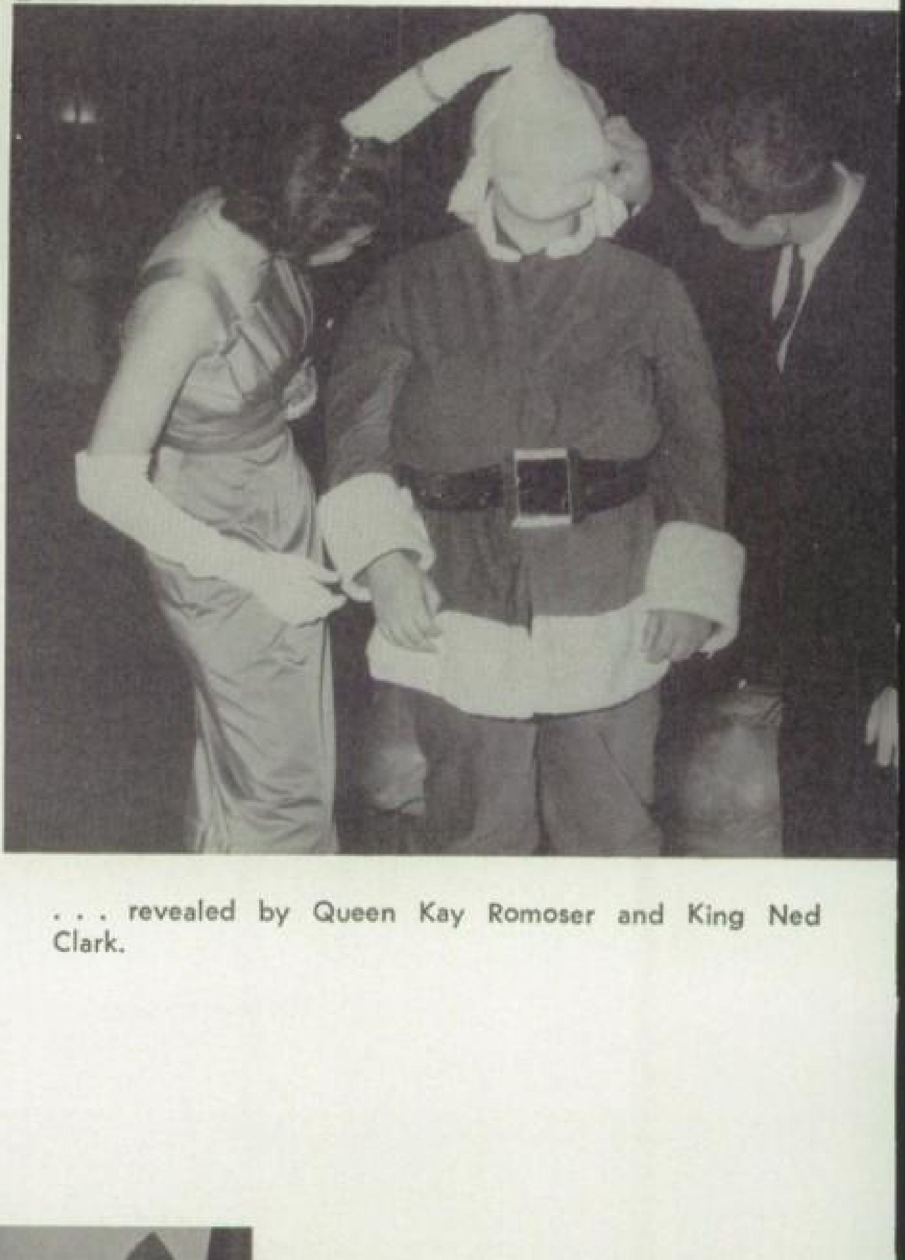
ANNIVERSARY

Fall and the mellow sounds of the Sportsman Quintet filled the evening air as Howard celebrated its eighth anniversary. A rustic decor composed of a realistic scarecrow surrounded with cornstalks and pumpkins filled the center of the gym. Painted across the stage curtains in leaves of red, gold, and green were the words "Anniversary Dance."

DANCES

HIGHLIGHTS OF THE YEAR

. . . the unique attraction of the evening.



. . . revealed by Queen Kay Romoser and King Ned Clark.

"Winter Wonderland" was the theme of the Christmas Dance sponsored by the senior class. Highlighting the blue and silver decorations was a mobile float, composed of snow flakes and Christmas balls. The unique attraction of the evening was the mechanical Santa Claus, who when revealed was not just a number of bolts and wires, but one of the seniors, Charles Pindell.

The hard work of the seniors was well rewarded by the beauty of their decorations and the success of their affair.

With a splash of red and white the Valentine Dance came through with a stereo of hi-fi color.

The dance had the spirit of St. Valentine's day with attractive decorations of playing cards.

The Valentine Queen was Ann Yates and her court included Lyn Randall, Sharon Fisher, Linda Bertling, Linda Ingram, and Gayle Grier:

STICKWORK

The 1959 season of the Howard Lionesses was a very successful one. The girls, co-captained by Kay Romoser and Lois Singhass, closed their season by winning four, tying three, and losing one.

The new girls' athletic field was completed during the summer. The team initiated the field by tying the score with Brooklyn Park High School one to one.

There were only seven seniors on the Varsity team. The juniors gained experience that will be valuable to them next year.

This year Howard High had a wonderfully spirited team. The highlight of the season was when we defeated the Glenelg Gladiators at our homecoming. The number of games won was low, but to us at Howard the Glenelg and Gaithersburg games compensated for those lost.

The captains of the team were Bill Hesson and Sam DeBone.

The team was composed of ten seniors and quite a few juniors and sophomores. Prospects for next year's team promise to make it a good one.

Practice and good teamwork achieved this record for the team. Scoring an all-time high of 595 points and averaging 42.5 points a game topped the record set in 1958. The team will be losing only two seniors and Miss Lang is looking forward to another successful season for her girls.

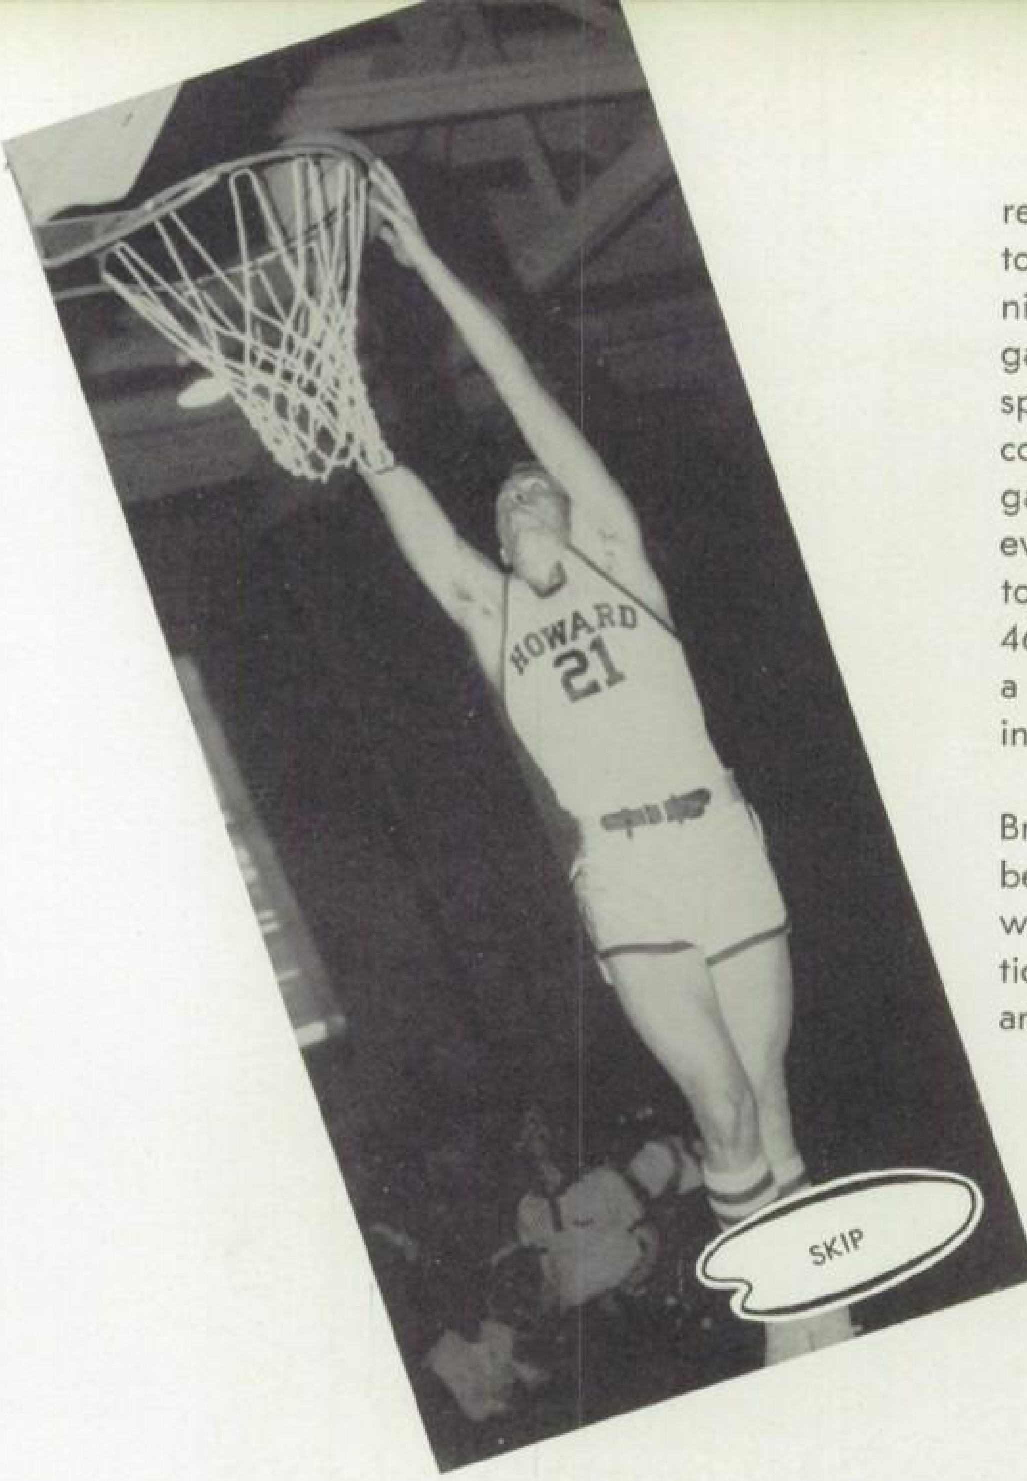
STARS IN BASKETBALL



The Howard Varsity, competently directed by Coach Marshall, although not too successful in the even column, winning seven and losing twelve of their games, displayed enthusiasm and good sportsmanship. The Lions defeated their county rival, Glenelg, in two thrilling games. One of the season's notable events was the breaking of Skip Whorton's 43 point record set in 1957. Tallying 46 points against Sherwood, Skip also set a record of 492 points—the most made in a season.

S. King, P. Freeman, J. Lanahan, L. Brown, W. McKinney, and E. Maisel will be the only veterans returning next year with six players being lost via graduation. Mr. Marshall and Howard's fans are expecting a good season next year.

Mimi Atwell, Co-Captain; Betty Lang, Coach; and Linda Ingram, Co-Captain.

This year's girls' softball team is the first one since 1956. They were an inexperienced team, winning only one game and losing eight against a strong Anne Arundel County League.

The girls on the team were all sophomores and juniors and expect to have a strong, more experienced team next year.

The group was co-captained by Mimi Atwell and Linda Ingram and coached by Miss Betty Lang, the girls' physical educational instructor.

HOWARD'S HARD HITTERS

This year's baseball team won two games and lost nine. They defeated Severna Park and our county rival, Glenelg High School.

Unfortunately Glenelg defeated Howard twice, thus taking possession of the black bull, Elgard.

Even though the boys did not show much in the win column, they gained a great deal of experience and had some good times. All through the season they showed good sportsmanship.

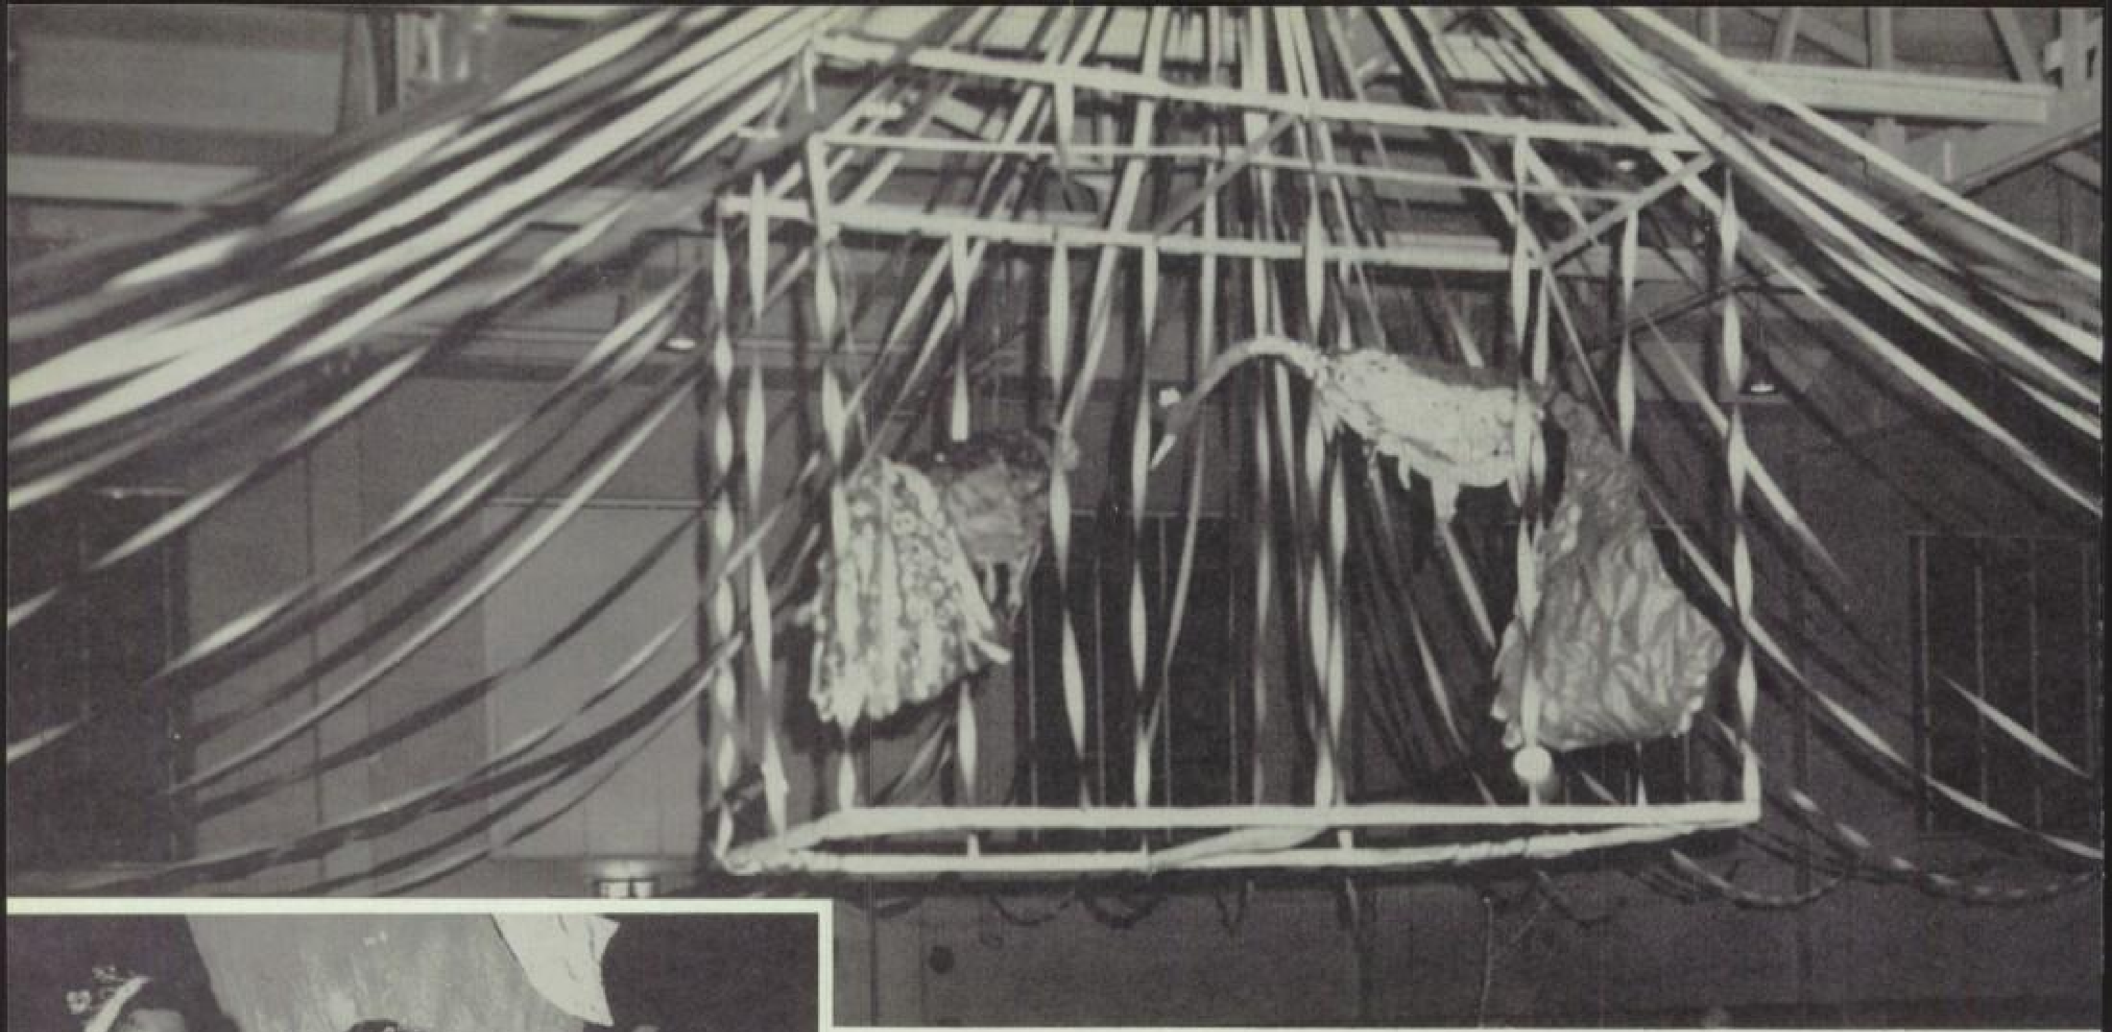
WONDERFUL WEEKEND

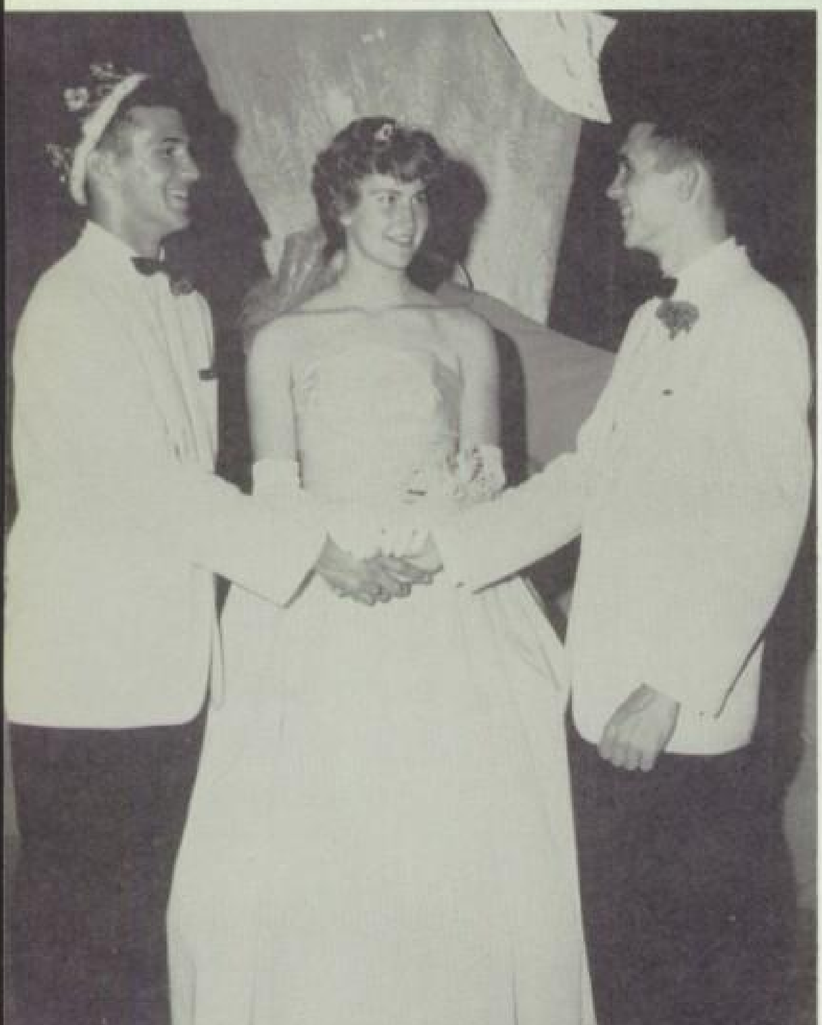
. . . a class tradition.

With their chaperones, Mrs. Lotz, Mrs. McFarland, and Mr. Fisher, seventy-five seniors left for New York at 6 A.M., Saturday, April 23. Arriving there, they took the educational boat tour of Manhattan Island. They stayed at the Henry Hudson Hotel, enjoying the luxuries of swimming, television, telephones, and room service.

A few of the places visited were the Museum of Natural History, Central Park, the Empire State Building, Coney Island, Birdland, Greenwich Village, NBC Television Studios, Radio City, and various restaurants.

When they arrived in Ellicott City at 11 P.M. Sunday, the seniors were reluctant to end their exciting weekend.





Wayne Phillips, Junior Class President, with King Sam DeBone and Queen Lois Singhass.

JUNIOR-SENIOR PROM

The Court, composed of John Nichols, Nancy Pfeiffer, Jimmie Zimmerman, Joan Taylor, Vince Pindell, Brenda Cordero, Carolyn Carter, Dennis Ayers, Phyllis Kirkham and Bill Hesson.

"The Junior Class of Howard County High School requests the pleasure of your company at the Junior-Senior Prom, on Friday, third of June, at nine o'clock in the evening."

So read the invitations issued to the members of the junior and senior classes for the yearly promenade.

A Persian garden, bedecked with a cage containing peacocks and reigned over by an imposing swami, set the scene while the Satisfiers provided melodious tones for dancing or chatting.

Declared queen and king of the prom, Lois Singhass and Sam DeBone were crowned by Mr. Jones as they stepped from their places among the court composed of two representatives from each senior homeroom.

Following three hours of evening enjoyment at the school, many of the students attended parties to climax one of the finest affairs of the school year.

. . . go, Ruehl!

. . . Sam welcomed the faculty, the guests, and the seniors.

CLASS NIGHT

Held again this year at Peter Pan Inn in Frederick, Class Night was a great success.

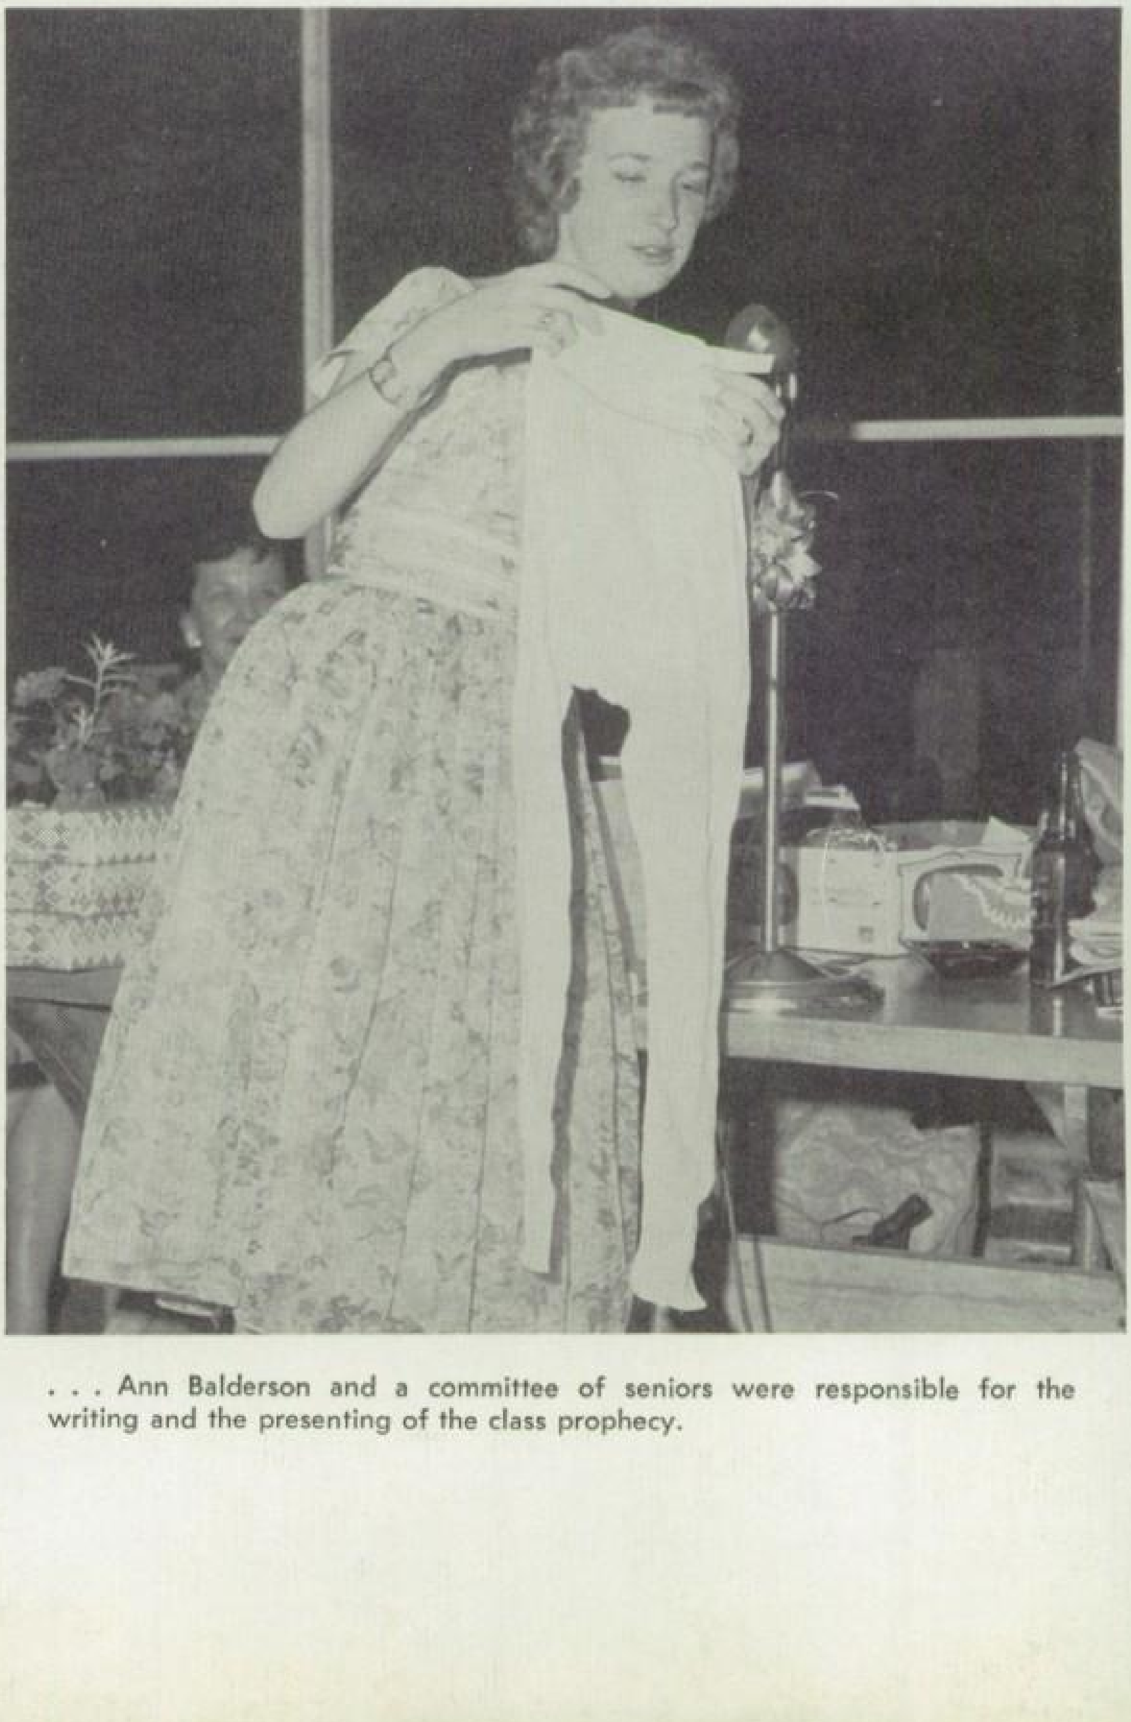
Paul Palmer began the evening with the blessing followed by a fried chicken dinner.

After the dessert, the students explored the gardens and the fountains of the lovely old Inn and returned to the dining room for the reading of the Class Will and the Class Prophecy. The prophecy this year was quite interesting and different as a relic was presented of each student's life after he or she had lived until 1980. This brought many smiles and laughs from the faculty and the students.

The senior advisers were given gifts from the seniors. Mary Ellen Scaggs and Sam DeBone drew the lucky numbers for the door prizes which many seniors received.

When the tables and chairs were pushed back, the seniors and their guests concluded the evening with dancing.

. . . Mr. Fisher finally reached the bottom of the box.



. . . Ann Balderson and a committee of seniors were responsible for the writing and the presenting of the class prophecy.

. . . looking for Mr. Jones' romantic corner.

. . . dancing concluded the evening.

Many of the seniors and their guests enjoyed parties after the dinner-dance such as this one given by Bob Phillips.

BACCALAUREATE

On June twelfth, two hundred and one seniors marched in the processional at Howard High's eighth annual Baccalaureate Service.

After the invocation by Reverend Robert A. Gourlay, the chorus presented "Praise Ye the Father" followed by the Scripture reading by Reverend Charles Subock. Reverend G. I. Loar delivered the sermon. Before the benediction by Reverend Herbert M. Payne, the chorus sang "For the Beauty of the Earth."

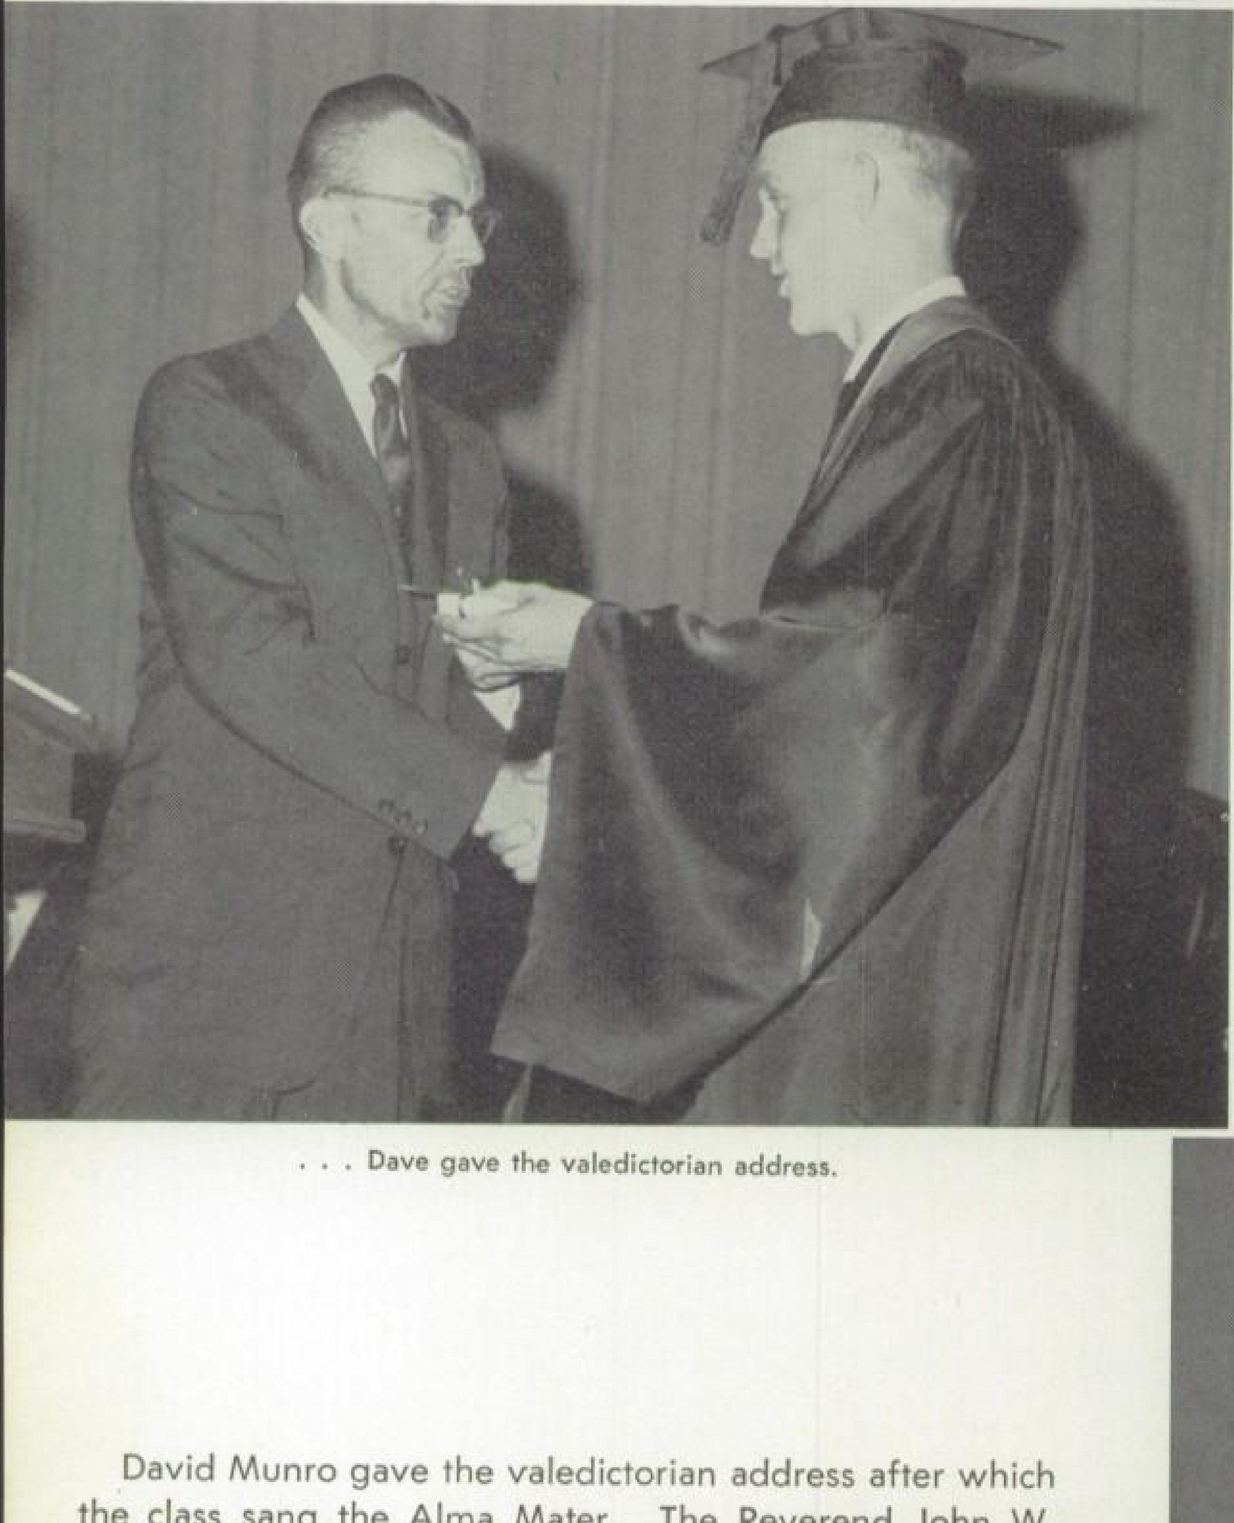
GRADUATION

Two hundred and one diplomas and twenty-three awards were presented at Howard High's eighth annual graduation, Thursday evening, June 16.

The invocation which began the ceremony was given by Reverend George Cora. Helen Rettger presented the salutatorian address followed by the singing of the class song, "Mem'ries of Howard."

Immediately following the class song, Dr. Sekulow, Professor of Political Science at the Johns Hopkins University and a member of President Eisenhower's Advisory Staff, spoke to the graduates.

. . . Helen was salutatorian.



. . . Dave gave the valedictorian address.

After the awarding of the Diplomas by Mr. John Yingling, Superintendent of Howard County public schools, Mr. Jones presented the annual awards. A notable factor is that William Hesson received five of the twenty-three awards—the most won by one student at one time in the history of Howard High.

. . . Dr. Sekulow wished the graduates good luck.

David Munro gave the valedictorian address after which the class sang the Alma Mater. The Reverend John W. Neimiller, father of one of the graduates, bestowed the benediction and the seniors turned in their places to join in the recessional.
